

Presentation Script (Slide-by-Slide)

Slide 1: Title Slide (Hariom)

- **Hariom:** "Good morning everyone. Mera naam Hariom hai aur mere partner Bhanu ke saath, aaj hum apna project present karne ja rahe hain jiska naam hai—**NexGen AI Agency**."

Slide 2: Introduction (Bhanu)

- **Bhanu:** "Aaj ke time mein AI tools bahut tezi se badh rahe hain, lekin sahi tool dhoondhna mushkil hota hai. NexGen ek central hub hai jo is process ko aasaan banata hai."

Slide 3: Problem (Hariom)

- **Hariom:** "Problem ye hai ki market mein itne saare platforms hain ki user ka time waste hota hai aur koi ek centralized filter system nahi hai."

Slide 4: Solution (Bhanu)

- **Bhanu:** "Hamara solution ek user-friendly hub hai jahan tools ko categories mein baanta gaya hai taaki user ka time bache."

Slide 5: Search Feature (Hariom)

- **Hariom:** "Ye hamara main feature hai. Isme humne JavaScript ka use karke real-time filter banaya hai. Jaise hi aap kuch type karte hain, results turant filter ho jaate hain."

Slide 6: Interactive UI (Bhanu)

- **Bhanu:** "Design ke liye humne login modals aur smooth redirect buttons ka use kiya hai, jo website ko ek premium app ka feel dete hain."

Slide 7: Tech Stack (Hariom)

- **Hariom:** "Technical side ki baat karein toh humne isme **HTML5, CSS3, aur JavaScript** ka use kiya hai."

Slide 8: UI Design (Bhanu)

- **Bhanu:** "Website ki theme 'Dark Navy Blue' rakhi gayi hai taaki ye eye-pleasing rahe. Layout ko cards ke roop mein rakha gaya hai jo fully responsive hai."

Slide 9: Future Scope (Hariom)

- **Hariom:** "Aage hum isme user dashboards, database integration, aur AI-based recommendations add karne ka plan kar rahe hain."

Slide 10: Conclusion (Bhanu)

- **Bhanu:** "Ant mein, hamara goal AI tools ko sabke liye accessible banana hai. Thank you!"
